**NON PRO TWO REIN** is an ERCHA approved class: it's open to horses of any age that have not been shown in a NRCHA and/or ERCHA BRIDLE class yet. These horses are allowed to enter this class for one year only. Horses have to be exhibited one-handed. There's no limit of fingers between the reins. It's open to Non-Pro riders.

**NOVICE HORSE OPEN AND NON PRO** is an Ercha approved class. Horse have to be exhibited two-handed with snaffle-bit only. No limits on the age of horses.

**BOX DRIVE BOX** is an ERCHA approved class. For the bridle will be use the NON PRO LIMITED BRIDLE Rules (to 5 years old snaffle-bit or hackamore, Two Reins if is two rein horse, Bridle if is bridle horse). It's open to Non-Pro riders not appearing in the Top Five Standings list. Exhibitors are allotted one minute and thirty seconds to complete the work. Announcer will give a "30 seconds left" time warning. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; boxing it at the opposite end of the arena and then driving the cow past the middle marker again. There is no expectation that the Exhibitor will make a 'fence turn,' rather the drive down the fence demonstrates correct position and control around the corner. • Part One – Boxing the Cow – The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse's ability to "hold" the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow on the entry fence. • Part Two - Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. • When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set

the cow up for boxing. • Part Three – Boxing the Cow at Opposite End of Arena –The Exhibitor will again control and box the cow to demonstrate the horse’s ability to “hold” the cow. • Part Four – Drive the Cow back down the fence past the middle marker and continue until the judge blows the whistle to show completion.

N.B. Objections about the show judgements will be allowed only if presented through a specific form that is available at the ERCHA office. A fee of \$ 100,00 will be applied. The ERCHA-NCHA Judges commission will then examine the objection.
